7-02/140.17 Weapons Security on the Superbus

On the Superbus a secured area is provided for the Security Deputy in the trailer unit. While in this caged area the Security Deputy will be armed. Under no circumstances will the Security Deputy exit this compartment and enter the occupied inmate section of the trailer unit wearing or carrying a firearm. The weapon must first be secured in a gun locker or secured with the Driver who will be staged outside the vehicle.

Deputies are responsible for ensuring that the safest possible weapon procedures are followed, in each instance.
