

2-05/030.50 - Detective Information Research Center (DIRC) Detail

The researchers in this detail assist investigators seeking to identify and locate suspects, victims, witnesses and persons of interest, and provide the following:

- criminal, civil and historical profiles;
 - booking/DMV photographs and electronic “six-pack” suitable for court;
 - property ownership, both current and historical;
 - lists of property residents, both current and historical;
 - immigration information;
 - pending legislation and available legislative analysis;
 - recent and historical case law; and
 - data queries on any topic.
-
