

## **2-07/080.20 - Pre-Employment Unit**

This section has the following responsibilities:

- investigate the character and background of prospective professional staff applicants;
  - ensure applicants meet established hiring standards, including Federal, State, and local statutes;
  - assist the Examination Unit with the testing of certain professional staff position applicants;
  - conduct background investigations on professional staff applicant positions including medical services positions;
  - conduct security clearances on employees hired on a contractual basis;
  - conduct background investigations on certain prospective employees for other County departments; and
  - conduct security clearances on prospective members of the Los Angeles County Grand Jury.
-
