2-08/000.00 - Court Services Division

This chapter outlines functions, responsibilities and jurisdiction of Court Services Division which consists of five Bureaus and two Units.

East, West, and Central Bureaus provide security for all the courthouses within their assigned geographical areas of Los Angeles County. Civil Management Bureau provides service of civil and criminal process within the County. Court Services Transportation Bureau provides inmate transportation throughout the County and State.

Under the direction of Court Services Headquarters are two Units. The Training Unit provides specialized and mandated training for all Court Services personnel. The Judicial Services Unit provides threat assessment and judicial protection for Bench Officers throughout the County.
