2-09/030.10 - Men's Central Jail

This maximum security facility houses the majority of the pretrial inmates.

Within the jail complex includes a large infirmary which serves the male inmate population of all County adult detention facilities; a law library for use by inmates acting in ‘propria persona’ in the criminal courts; and a show-up room utilized by all local law enforcement agencies for conducting identification “lineups.”

Education Based Incarceration programs are offered at this facility.
