

2-11/040.00 - Emergency Operations Bureau

The Emergency Operations Bureau provides a variety of specialized services throughout the County and consists of the following units:

- Tactical Planning Unit;
- Department Operations Center; and
- Labor Relations Unit.

Emergency Operations Bureau will be responsible for the following volunteer programs:

- Station Community Advisory Committees;
- Station Clergy Councils;
- Volunteers in Police Service;
- CERT (21 hour FEMA certified);
- Training for all volunteer coordinators and crime prevention staff (includes monthly training meetings);
- Membership on the LASD Volunteer Association;
- Coordination of the Volunteer Interpreter Program;
- Drivers training for volunteers;
- Emergency Services Index Program; and
- Volunteers on Patrol Program;
- Coordinate and expedite activities of civilian volunteers when requested;
- Oversight for the Countywide LASD Community Emergency Response Team (CERT) training which includes:
 - Station training;
 - Focus group training;
 - Regional and countywide drills; and
 - Refreshers;
- Oversee the training and planning for the disaster services workers; and
- Coordinating and facilitating other special projects as directed by Department executives.
