3-03/130.50 - Scientific Services Bureau (Crime Lab)-Civilian Personnel

The Scientific Services Bureau personnel badge is described as a metal, gold colored shield. The words “County of Los Angeles” shall appear on a ribbon on the top of the badge. A second ribbon will appear underneath with the words “Sheriff’s Department.” The serial number of the badge shall appear at the bottom of the badge below the job title (i.e. director, assistant director, forensic identification specialist, or criminalist). The badge for director and assistant director will have an additional ribbon under the job title with the words “Crime Lab.” Flat badges and pin-on badges will be issued to forensic identification specialists and criminalists. Only flat badges will be issued to director and assistant directors.
