3-07/020.00 - Radio Broadcasts

An occurrence of concern to any or all groups of field units shall be transmitted as a "broadcast." A broadcast may be transmitted simultaneously on more than one frequency at the discretion of the SCC Watch Commander. Field units should designate the area they desire to receive the broadcast.

Commonly used the broadcasts include the following:

- Emergency crime broadcasts;
- Missing child broadcasts;
- Found child broadcasts; and
- Countywide alert broadcasts.
