3-07/050.15 - Information Regarding Broadcasts

Information relayed by Sheriff's Communication Center (SCC) regarding broadcasts critical to calls-for-service shall be voiced by SCC via radio, except victim identity information, and sent to the requestor's MDT/MDC. If the communication is of an emergent nature and based on the volume of radio traffic the message would not be received timely, the information shall be sent via the MDT/MDC and voiced as soon as practical.
