<u>4-26/010.00</u> <u>WARRANTS</u>	The word "copy" under this column refers to a reproduced copy of the warrant.		<p>For line procedures, see Volume 5, chapter 7.</p> <p>Warrants are received from two basic sources: (1) L.A. Superior Courts, the Trial Court Information System (TCIS) and (2) outside law enforcement agencies. All warrants issued by Los Angeles courts received by Department personnel shall be forwarded to Records and Identification Bureau, Warrants Unit, for processing. The Warrants Unit shall file and maintain all issued original warrants.</p> <p>As a general rule, file numbers will be assigned by the Detective Division only; however, if a warrant results from an original Sheriff's case, the case URN shall be placed in the appropriate location on the face of the warrant by the court Deputy or investigating Deputy prior to forwarding to the Records and Identification Bureau.</p> <p>Whenever an arrest is made on a warrant, an abstract must be obtained, utilizing the JDIC system.</p>

			<p>NOTE: Where an arrest is attempted under authority of a copy and the defendant is in possession of a receipt from the court on this charge or claims recent court appearance on the charge, no arrest shall be made pending investigation to determine the status of the warrant.</p> <p>When an arrest is made as a result of an abstract to a Station/Unit, the receiving Station/Unit shall update the computer.</p> <p>Whenever an arrest is made on an abstract of a warrant issued by an L.A. County Court and the L.A. County Jail booking number is known, the warrant is to be returned to the informing agency for return to the court. Defendant shall be arraigned with the abstract.</p> <p>Whenever an arrest is made on an abstract of a warrant issued by a court outside of Los Angeles County and defendant does not post bail, the warrant shall be returned to the law enforcement agency from which it was received. A copy of the abstract must be forwarded to IRC, for male prisoners and CRDF for female prisoners. Abstract to accompany defendant to appropriate jail.</p>
Court Deputy responsibility			<p>Court Deputies shall inspect all warrants received from the court for validity, case number, suspect identification data and URN in the appropriate location on the face of the warrant. The warrant must be faxed to the County Warrant System (CWS) prior to forwarding with a warrant and transmittal to Records and Identification Bureau, (CWS), for processing. A copy of both the warrant and transmittal shall be maintained in the Branch Office.</p>

This detail will assign URN upon receipt of warrant.</p> <p>Whenever an arrest is made on a warrant or an abstract of a warrant issued by a court outside of the County, and the defendant does not post bail, the warrant shall be returned to the law enforcement agency from which it was received, and the abstract must accompany defendant to appropriate jail (IRC for male prisoners and CRDF for female prisoners arrested on out-of-County warrants).</p> <p>Code 283 - Warrants, Felony, In County.
