5-01/120.10 - Unidentifiable Vehicle Parts

Found or recovered <u>unidentifiable</u> vehicle parts, if too large for storage at the Station or Unit, may require initial storing at a local Department approved garage/towing company. The Central Property Custodian shall be notified of this storage for transfer to the main storage yard. <u>In no case shall these parts be stored at the local towing company more than 30 days.</u> (Refer to storage of unidentified vehicles and vehicle parts, section 5-01/060.15).
