5-01/130.00 - Felony Vehicles and Vehicles Associated with Missing Persons

When a vehicle is wanted in conjunction with a felony or is wanted in conjunction with a missing person, the proper incident report shall be prepared. Instructions to make the SVS entry shall be made by the investigating detective when he prepares the broadcast regarding the felony or the missing person.

The SVS entry shall be made in the same format as for a stolen vehicle utilizing the appropriate "Caution Code," as outlined in the SVS User's Manual.

The investigating detective, who initiates the wanted vehicle entry, shall be responsible for seeing that the SVS want is cancelled when the vehicle has been located.
