5-02/130.05 - Release From a Station/Unit

To release a juvenile from a station/unit, the deputy shall complete the release section of the Booking and Property Record form (SH-J-293) and ensure that the AJIS computer is updated. The release may be made prior to the investigation if the welfare of the juvenile or the community will not be endangered. Station/unit policy shall determine whether the juvenile shall be cited to return at a specified time.
