# 5-02/150.05 - Juvenile Court Warrants

For the purpose of service, a juvenile court warrant is considered a felony warrant.

The Records and Identification Bureau will receive the juvenile court warrant. The warrant shall be entered into the Countywide Warrant System (CWS) and the Wanted Persons System (WPS), if applicable, of the California Justice Information System (CJIS). The warrant shall be filed in the central warrant file.

> **NOTE:** All other procedures concerning maintenance of files, responsibility, and accountability shall be as documented in section 5-07/110.55 Superior Court felony arrest warrants.
