5-05/040.10 - At-Scene Responsibilities

A deputy at the scene of a traffic collision shall:

- Aid injured persons as necessary;
- Safeguard persons and property;
- Establish necessary traffic control; and
- Take necessary action if violations of law are observed.

If the collision is in a contract city, the deputy shall take a report as appropriate. If the collision is not in a contract city, the deputy shall render assistance as necessary and notify the agency of jurisdiction via the Sheriff's Communication Center.
