5-06/020.20 - Mobilization Phase III

Phase III designates total mobilization of the field personnel.

The incident commander will be the concerned division chief or his designated alternate.

The incident commander shall be responsible for:

- Utilizing the remaining patrol units to supply requests for personnel;
- Placing the field personnel on a 12-hour schedule; and
- Making situation reports to the Sheriff.

Division chiefs who have been notified that their divisions have been placed on standby shall plan to place their personnel on a 12-hour schedule and be prepared to dispatch personnel and equipment. The Sheriff, or his designated alternate, shall make the decision to enter mobilization phase IV.
