

## **5-06/020.20 - Mobilization Phase III**

Phase III designates total mobilization of the field personnel.

The incident commander will be the concerned division chief or his designated alternate.

The incident commander shall be responsible for:

- Utilizing the remaining patrol units to supply requests for personnel;
- Placing the field personnel on a 12-hour schedule; and
- Making situation reports to the Sheriff.

Division chiefs who have been notified that their divisions have been placed on standby shall plan to place their personnel on a 12-hour schedule and be prepared to dispatch personnel and equipment. The Sheriff, or his designated alternate, shall make the decision to enter mobilization phase IV.
