5-06/030.20 - Patrols

Patrols may be utilized to deal with crowd or riot situations. Any variety of patrol deployment patterns can be used to suppress a riot situation by displaying a highly visible mobile force.

Patrols may also be used as a follow-up measure to ensure against a recurrence and to protect property that may have been vacated during the incident. Deployment for such missions shall be a minimum of one squad (1 sergeant and 11 deputies).
