5-06/040.40 - Procedure for Use of Tactical Canisters of OC and OC+CS Blended Aerosol Agents

Only authorized aerosol agents may be dispensed from tactical sized canisters. Authorized agents may be used in situations where a sergeant or team leader must direct physical force to protect deputies and other persons from assault, to overcome resistance, to effect an arrest, or to restrain a violent person in custody when it is apparent that individually issued chemical agents would be less effective.

Personnel carrying any of these agents shall wear Department approved particulate masks during the application of the agent.
