5-07/120.05 - Bail Posted At Station

When bail has been posted at a station, disposition of the warrant is as follows:

- Original Warrant or Abstract

  Fill in the bail information outlined in section 5-07/120.00, return the warrant to the court along with both portions of the original of the bail/fine formset or the surety bond.

If the warrant was booked prior to accepting bail or bond, the station is responsible to update CWS by changing the warrant from booked status to booked/bailed status (JDIC WANT2 format).
