

5-07/150.10 - Destruction of Unusable Citations

When unusable citations are to be destroyed, the Station/Unit supervisor responsible for citation control shall indicate on the Guides Citation Book (SH-R-169), the citation sequence number(s) destroyed, the date of destruction and his name. The SH-R-169 shall be retained in the Station/Unit citation file for two years after the destruction date.

Destruction of the citations shall be performed at the Station/Unit by cutting or shredding.
