5-09/120.25 - Child - Critical (Phase III)

The primary unit of assignment shall be responsible for coordination, function, and functional supervision of phase III operations. This unit shall designate an officer of at least the rank of lieutenant as operations commander. The station/unit detective commander shall act as operations commander until he is designated as such or relieved by the designated Operations Commander.

The operations commander shall designate two detectives and one patrol supervisor. The detectives shall assist in coordinating the investigative activities - one will coordinate the operation at the scene while the other coordinates the operation at the station/unit. The patrol supervisor shall provide supervision for the uniformed patrol personnel.

The operations commander will occupy the position of greatest need, reviewing all activities in connection with the investigation at frequent intervals.
