Allan Field
Assistant District Attorney
Norwalk Superior Court
12720 Norwalk Boulevard
Norwalk, California 90650

Dear Mr. Field:

It has come to my attention that defendant Michael P. Evans is to appear in your court under case number A123456. Mr. Evans was arrested in the city of Norwalk on March 15, 1996, for possession of stolen property which was taken in a residential burglary. The house was unoccupied at the time of the entry and no one was injured in the incident. The property stolen in the burglary was valued at \$500, and was recovered.

After the arrest, the defendant provided investigators with the information about people who were committing armed robberies in the station area.

Based on the information provided by Mr. Evans, surveillance was conducted on the named suspects. Mr. Sal Martinez was arrested while attempting to commit an armed robbery at the 7-Eleven Store on Telegraph Road.

It is requested that consideration be given by placing Mr. Evans on probation or a minimum sentence in County Jail. Thank you for your assistance in this matter.

Sincerely,

SHERMAN BLOCK, SHERIFF

The following designations will be used by personnel, units and equipment activated for an emergency operation.

Command Post

During emergency operations, the focal point for command and communications shall be referred to as the "Command Post."

Personnel

All command personnel will use their normal call identifiers. This will vary only during major preplanned operations during which call identifiers may be used to define specific lines of authority and responsibility to various elements or functions of the operation.

Platoon Operations

Platoon call identifiers will be in the 700 series. The station designator will be incorporated in the 700 number, depending on the origin of the platoon or platoon commander. The last two digits indicate station/unit number (701 thru 718). However, Century Station and Marina del Rey Station will use the first two digits of the station's call numbers. (e.g., 721-Century Station, 727-Marina del Rey Station). Refer to Emergency Operations Procedure (EOP) 3-7, "Platoon Organization and Table of Equipment."

Preplanned Operations

Personnel planning upcoming operations may develop a series of call identifiers such as color designators which serve to identify elements of the operation.

Training

The 400 series is reserved for training exercises. Any unit involved in a training exercise using radio transmissions shall use the 400 series to avoid accidental responses by operational units.

Coordination

The Sheriff's Communication Center watch commander shall be advised of any Department mobilization, preplanned event, training operation, or any other operation using specialized call identifiers which might impact the Department's communication system in any manner.

7-03/015.00 POST Certificate Requirements

All sworn peace officers, under 830.1 PC, employed by the Department, shall possess and maintain a valid Commission on Peace Officer Standards and Training (POST) certification.

Basic Certificate

- Complete the current employing department’s probationary period of not less than 12 months; and
- Satisfy the minimum entry-level basic course training standard for the applicant’s current position.

Intermediate and Advanced Certificates

Minimum requirements to qualify for an intermediate or advanced POST certificate are: years of experience, education points, and training points. All three (3) requirements must be met.

INTERMEDIATE

Years of Experience	8 or more	6 or more	4 or more	4 or more	2 or more
Education Points	15	30	45	AA/AS	BA/BS
Training Points	15	30	45	Basic POST	Basic POST

ADVANCED

Years of Experience	12 or more	9 or more	9 or more	6 or more	4 or more
Education Points	30	45	AA/AS	BA/BS	MASTERS
Training Points	30	45	Basic POST	Basic POST	Basic POST

Training Points

One training point equals 20 hours of law enforcement training. Individuals receive training points from the Basic Academy course, in-service training, and may include outside training. College-affiliated training can be counted as “education” or “training” points, but not both. Training points cannot be substituted for education points (college units).

Education Points

Education points include college units from any accredited college and may include those units obtained through college-affiliated training/in-service training. If the college is on a semester system, each unit equals one education point. If the college is on a quarter system, multiply the number of units by 2/3 (.667) to calculate your education points. One education point (college unit) equals one training point. Education points (college units) can be substituted for training points.

Supervisory Certificate

- Possess or be eligible to possess an intermediate certificate;
- Complete a minimum of 60 units from an accredited college;
- Successfully complete a POST-certified Supervisory Course; and
- Possess two years' law enforcement experience as a permanent first-level supervisor or higher.

Management Certificate

- Possess, hold, or be eligible to hold an Advanced Certificate;
- Complete a minimum of 60 semester units from an accredited college;
- Successfully complete a POST-certified Management Course; and
- Possess two years' law enforcement experience in a permanent middle management or higher position.

Information regarding any of the above certificates may be obtained by contacting the Training Bureau's Education & Training Records Unit.

POST Public Safety Dispatcher Certificate

- Be employed with a department participating in the POST Dispatcher Program;
- Be appointed as a full-time safety dispatcher;
- Successful completion of a POST-certified Public Safety Dispatcher's Basic Course of no less than 80 hours; and
- Satisfactorily complete the current Department's probationary period of at least 12 months.

Information regarding eligibility requirements for the certificate may be obtained by contacting the Training Bureau's Civilian Training Unit.
