Allan Field Assistant District Attorney Norwalk Superior Court 12720 Norwalk Boulevard Norwalk, California 90650

Dear Mr. Field:

It has come to my attention that defendant Michael P. Evans is to appear in your court under case number A123456. Mr. Evans was arrested in the city of Norwalk on March 15, 1996, for possession of stolen property which was taken in a residential burglary. The house was unoccupied at the time of the entry and no one was injured in the incident. The property stolen in the burglary was valued at \$500, and was recovered.

After the arrest, the defendant provided investigators with the information about people who were committing armed robberies in the station area.

Based on the information provided by Mr. Evans, surveillance was conducted on the named suspects. Mr. Sal Martinez was arrested while attempting to commit an armed robbery at the 7-Eleven Store on Telegraph Road.

It is requested that consideration be given by placing Mr. Evans on probation or a minimum sentence in County Jail. Thank you for your assistance in this matter.

Sincerely,

SHERMAN BLOCK, SHERIFF

| Dear | |
|------|------|
| Don | |

I regret that the seriousness of your medical condition makes you unavailable for duty. More importantly, I wish to convey my sincere concern and wish you the best despite the circumstances.

There are certain administrative duties which must be addressed. It is my responsibility to remind you that, per Departmental Orders, you have been placed on an "A" schedule (Monday through Friday) from 0830 hours to 1700 hours each day. You are to remain at the location which Department records indicate as your residence, and you are to be personally available to respond to official telephonic and/or direct contacts by the Department. A copy of Policy and Procedures Manual Section 3-02/040.05, which covers "Injuries and Illness," is enclosed. Exceptions to these requirements must be approved by the operations lieutenant or, in his absence, the watch commander.

I cannot over emphasize that your well being is our primary concern. Please call if we can be of assistance.

Sincerely,

SHERMAN BLOCK, SHERIFF

| Dear Dr: |
|---|
| Our records indicate that you are currently treating one of our employees, Deputy Sheriff The injury which Deputy received may prevent him from performing some of the tasks of his current assignment; we would like your medical determination as to which duties those are. |
| It is the policy of this Department to return employees, with medical limitations, to work as soon as their medical condition permits. By returning our personnel to modified duty we can continue to utilize their skills and abilities and also comply with the guidelines established under the Americans with Disabilities Act. |
| Since we will be returning this employee to a modified work environment, we would like to ask you to complete the enclosed evaluation within the next ten working days. A preaddressed envelope has been included for your convenience. |
| Sincerely, |
| SHERMAN BLOCK, SHERIFF |
