---

• **7-03/015.00 - Post Certificate Requirements**

**7-03/015.00 POST Certificate Requirements**

All sworn peace officers, under 830.1 PC, employed by the Department, shall possess and maintain a valid Commission on Peace Officer Standards and Training (POST) certification.

**Basic Certificate**

- Complete the current employing department’s probationary period of not less than 12 months; and
- Satisfy the minimum entry-level basic course training standard for the applicant’s current position.

**Intermediate and Advanced Certificates**

Minimum requirements to qualify for an intermediate or advanced POST certificate are: years of experience, education points, and training points. All three (3) requirements must be met.

**INTERMEDIATE**

Years of Experience	8 or more	6 or more	4 or more	4 or more	2 or more
Education Points	15	30	45	AA/AS	BA/BS
Training Points	15	30	45	Basic POST	Basic POST

**ADVANCED**

Years of Experience	12 or more	9 or more	9 or more	6 or more	4 or more
Education Points	30	45	AA/AS	BA/BS	MASTERS
Training Points	30	45	Basic POST	Basic POST	Basic POST

**Training Points**

One training point equals 20 hours of law enforcement training. Individuals receive training points from the Basic Academy course, in-service training, and may include outside training. College-affiliated training can be counted as “education” or “training” points, but not both. Training points cannot be substituted for education points (college units).

**Education Points**

Education points include college units from any accredited college and may include those units obtained

through college-affiliated training/in-service training. If the college is on a semester system, each unit equals one education point. If the college is on a quarter system, multiply the number of units by 2/3 (.667) to calculate your education points. One education point (college unit) equals one training point. Education points (college units) can be substituted for training points.

### **Supervisory Certificate**

- Possess or be eligible to possess an intermediate certificate;
- Complete a minimum of 60 units from an accredited college;
- Successfully complete a POST-certified Supervisory Course; and
- Possess two years' law enforcement experience as a permanent first-level supervisor or higher.

### **Management Certificate**

- Possess, hold, or be eligible to hold an Advanced Certificate;
- Complete a minimum of 60 semester units from an accredited college;
- Successfully complete a POST-certified Management Course; and
- Possess two years' law enforcement experience in a permanent middle management or higher position.

Information regarding any of the above certificates may be obtained by contacting the Training Bureau's Education & Training Records Unit.

### **POST Public Safety Dispatcher Certificate**

- Be employed with a department participating in the POST Dispatcher Program;
- Be appointed as a full-time safety dispatcher;
- Successful completion of a POST-certified Public Safety Dispatcher's Basic Course of no less than 80 hours; and
- Satisfactorily complete the current Department's probationary period of at least 12 months.

Information regarding eligibility requirements for the certificate may be obtained by contacting the Training Bureau's Civilian Training Unit.
