

1-04/050.00 Weapon and Safety Equipment Storage and Control

All weapons and safety equipment (i.e. Stealth Belt, REACT Belt, PepperBall Gun, StingBall Gun, 37mm, 40mm and any unassigned CEWs etc.) shall be kept in the branch armory or locked area.

An inventory shall be conducted at the end of each month. Documentation shall be kept on file in the branch office for one year.

If any of the inventory is missing the branch supervisor will ensure that a SH-AD-49 is prepared and the Area Lieutenant is immediately notified.
