2-01/130.00 Access to Care Bureau Unit Commander

The Access to Care Bureau (ACB) unit commander is responsible for the operation and management of the jail ward located within the Los Angeles County + USC Medical Center (LCMC). The ACB unit commander ensures all inmates housed within the Los Angeles County Sheriff's Department's jail system have access to medical and mental health care. The ACB unit commander works directly with the Correctional Health director and serves as the liaison between Custody Operations and Correctional Health Services (CHS). The ACB unit commander initiates and/or monitors health care related pilot projects, and coordinates with CHS on the expansion of health care within Custody Operations.
