3-04/010.15 - Supervisor Response to Court Security Incidents

A supervisor shall respond to the scene in any of the following situations:

- A barricaded suspect or inmate refusing to exit a cell
- A hostage situation in court
- Shots fired at or by a deputy in a court or in the field
- Death or serious injury to court personnel, in custody or the public
- A use of force is beyond that specified in Manual of Policy and Procedures.

A deputy may request supervisory assistance for incidents of extraordinary circumstances likely to result in an injury and/or liability to persons or property. The supervisor shall respond to provide assistance.
