5-01/050.20 Declassification of Mental Observation Inmates

All declassifications or reclassifications of mental observation inmates shall be approved by Correctional Health Services (CHS) mental health personnel. Upon notification by CHS that an inmate's mental health classification has been revised, the Population Management Bureau (PMB) shall ensure inmate records reflect the updated classification. Housing assignments for mental health inmates shall be determined in accordance with Custody Division Manual (CDM) sections 5-01/030.00, "Inmate Classification and Identification," and 5-01/050.10, "Housing for Mentally Ill Inmates."
