

## **2-03/000.05 - Emergency Equipment**

All lockup emergency equipment will be maintained in an operable manner. Inspections of equipment shall be completed daily and recorded in the Uniform Daily Activity (UDAL)/Title 15 Log. All emergency equipment will be stored in a secure cabinet or within the control booth. No weapons shall be stored within a lockup area. If authorized chemical weapons are maintained in a lockup area, they shall be secured in a weapon's locker.
