2-06/010.10 Search of Station Booking

All new bookings from Sheriff's Patrol Stations shall be thoroughly searched. An emphasis on property still in the possession of the individual should be paramount in conducting the search. Items such as belts, shoes, etc. should be examined thoroughly. Any contraband or unauthorized items found on a station booking shall either be confiscated or placed in the inmate's property and the Watch Commander of the concerned Station shall be notified, as soon as possible.
