It is the policy of Transportation Bureau to transport only those inmates remanded to the custody of the Sheriff, those whom we are otherwise legally obligated to transport, and inmates booked through one of our Sheriff's stations who are physically fit for transportation and approved for acceptance, by Inmate Reception Center. Inmates released at court or from any other facility shall not be transported after they have achieved non-inmate status. When confronted with a situation not included in this policy statement, a supervisor shall be contacted for instructions.
