LANCASTER STATION

UNIT ORDER # 33

CLERGY COUNCIL

It is the policy of Lancaster Station to support and facilitate the activities of the Sheriff's Clergy Council, an interfaith and interdenominational body of local clergy and lay leaders organized with the concurrence of Sheriff Jim McDonald. As certified civilian volunteers, the members of the clergy council are an integral part of Lancaster Station's crime prevention/community relations team. Moreover, they are aware it is a privilege to be a civilian volunteer, and they serve at the discretion of the Sheriff.

Created to augment the services provided by the Sheriff's Department, the clergy council is expected to help improve service and increase the level of understanding between the Department and the community. The clergy council is in a unique position to provide the Department and the community with the following benefits:

- a unified and supportive fellowship among local clergy and peacemakers in volatile situations by virtue of their office and presence
- spiritual guidance during crisis situations, emotional support for the victims of violent crimes, visits to local families, and members for troubled youth
- an extra pair of hands to provide continuing care for residents when time constraints prevent deputies from working out a complete resolution

Clergy council members shall be afforded every courtesy and shall adhere to the requirements delineated in the Manual of Policy and Procedures, Civilian Volunteer Program Coordinator's Manual. Equally as important, station personnel shall take every opportunity to develop and explore meaningful partnerships with the clergy council.

On-call Procedures

Capable of providing spiritual support during a crisis or defusing volatile situations, the members of the sheriff's clergy council are available to visit local families, and provide deputies with an extra set of hands when time constraints prevent additional involvement. Sometimes the reporting party will need the services of the clergy much as, or more than, he needs a police report. In most situations, the station chaplains will initiate the use of the clergy council in crisis situations or at the request of the station supervisor who will initiate the use of clergy council members.

If those needs are immediate, it may be beneficial to contact an on-call member of the Clergy Council. At the request of deputy personnel and the discretion of the field sergeant, these individuals are available after-hours, and can be contacted through the Watch Deputy.
