3-06/200.20 - Los Angeles County Sheriff Custody Facilities

Department members are permitted to use a body worn camera (BWC) inside any Department custody facility for recording any investigative or enforcement activity.

Department members are prohibited from recording a strip search pursuant to section 5-03/030.05 of this manual.

Department members shall not initiate a BWC recording in areas where inmates are engaged in attorney-client privileged communications, unless an enforcement action is taken in these areas.
