The MCJ unit commander(s) shall not authorize participation for employees relieved of duty or on suspension at the time of such events or to limited duty status employees being part of or engaging in any Department organized team activity, sporting event, or Police Olympics event which is in violation of their restrictions. Participants in athletic events shall be permitted as scheduling permits, at the discretion of the unit commander(s), with the concurrence of the division chief and Department director. Only those events considered of sufficient benefit to the Department will be approved, sponsored, and covered by workers' compensation. Employees participating in Department approved events or practicing shall do so on their own time. Use of County time for such purposes is not permitted. Personnel planning to compete must submit an Absence Request (SH-R-96) to the unit commander in advance of the day(s) off requested and indicate how they desire the time to be carried, e.g., Compensatory Time off (E), Vacation (V), Sick Personal (SP) or Holiday Worked Credit (F). The MCJ Unit commander(s) shall make every reasonable effort to accommodate such requests for time off. Overtime shall not be allowed for any employee participating in an athletic event or practice for such event.
