

## **5-09-010 Inmate Disciplinary Procedures**

### **PURPOSE OF ORDER:**

The purpose of this order is to establish procedures for inmate discipline.

### **SCOPE OF ORDER:**

This order shall apply to all personnel assigned to PDC North Facility.

### **ORDER:**

### **GENERAL DESCRIPTION**

Inmate discipline shall be based on rules and disciplinary penalties which are clear and uniformly applied. Discipline shall be fair, prompt, and consistent. The disciplinary process must conform to constitutional standards of due process (right to hearing and/or appeal) and equal protection (uniform enforcement). There shall be no cruel and/or unusual punishment. The purpose of disciplinary action is to achieve one or more of the following:

- Hold inmates accountable for inappropriate behavior,
- Maintain security, order, and compliance with facility rules,
- Protect and maintain the facility and well-being of inmates, staff, and the public.

The facility rules shall be posted (in English and Spanish) in each dormitory, the E-Row hallway adjacent to the telephone, and the Inmate Processing Area (IPA).

### **DISCIPLINARY REVIEW PROCESS**

Inmates in violation of facility rules shall have their case adjudicated by a Disciplinary Review Board (DRB). The DRB shall consist of two sergeants who are uninvolved with the inmate's charges. The disciplinary review process shall be conducted on day shift, before 1200 hours. The watch commander shall approve any deviations from this schedule. One sergeant shall be responsible for DRB documentation for inmates housed in module one and module two. The other sergeant shall be responsible for DRB documentation for inmates housed in module three and module four.

When an inmate is found to be incompetent to present his case to the DRB, the inmate may utilize a counsel substitute, which may consist of aid from a fellow inmate or staff member, or from an inmate designated by the DRB.

An inmate has the right to appeal the decision of the DRB. If an inmate requests an appeal of the proposed discipline, the watch commander shall be notified. The watch commander shall render a final decision whether to exonerate the inmate or sentence the inmate to a discipline status deemed appropriate to the

offense.
