

Storage of Flammable Materials #0027

PURPOSE OF ORDER:

This order establishes policies and procedures for the storage of flammable materials.

SCOPE OF ORDER:

This order applies to all personnel assigned to the Inmate Fire Training/East Facility.

ORDER:

Flammable materials include paint, thinner, wood stains, fuels, and corrosive liquids. It is imperative that any materials with the potential to ignite due to combustion be stored in a properly ventilated area. [REDACTED TEXT]has been designated as the flammable material storage areas for those supplies used by unit personnel.

Personnel who discover any flammable liquids improperly stored shall notify the Camp Sergeant, who will respond and ensure the substance is moved to the designated storage area.
