

Unit Order 59 - Deployment and Inventory of Tasers

PURPOSE:

To establish an ongoing uniform procedure for control of the station's Taser inventory.

SCOPE:

The station order shall take effect immediately and shall be strictly adhered to by all station personnel.

ORDER:

The watch sergeant shall take inventory of the Tasers, along with other armory and radio equipment, each shift.

Deputy personnel shall check-out a Taser from the armory and record it on the sign-out sheet located in the armory next to the laser rack. Deputy personnel shall record the following information:

- Date
- Name
- Employee#
- Item
- Serial #
- Time checked-out
- Time check-in

Deputy personnel shall log the serial number of the taser they check out in their Deputy Daily Worksheet.

At the end of the deputy's tour-of-duty, he shall return the taser to the armory. Any malfunctions with the laser shall be brought to the attention of the watch sergeant.
