- If the problem compound(s) exhaust all avenues for clearing the count, immediately order the watch

deputy to “lock down” the facility and begin the process for a wristband count

- The 1630 hour dinner feeding is a hot meal served in the inmate dining room (IDR) (except when it is raining or there is a facility security issue, the inmates would be fed inside their barracks)

- The watch sergeant is to be inside the IDR for the 1630 hour meal

- Ensure all compound personnel assigned to work inside the IDR are inside and spread out
