#### Purpose

The purpose of this newsletter is to highlight some of the updates to the Department's Manual of Policy and Procedures regarding adult missing person report taking and investigation. This newsletter is not all inclusive of the entire adult missing person's policy and procedures. Department personnel should read the policy in its entirety to gain a complete understanding of the current practices and procedures related to handling adult missing person cases.

The Missing Person Detail has the discretion to accept an existing missing person case. Upon acceptance of the existing investigation, the Missing Person Detail will direct the requesting agency to the appropriate Sheriff's Station to file a report. The Missing Person Detail will also contact the appropriate Sheriff's Station

to notify them of their approval to accept the outside agency missing person report. Any conflicting information may be resolved by contacting the Missing Person Detail.
