## **F. CONCLUSION**

The intent of this policy is to establish accountability for county vehicles assigned to Homicide Bureau

## **II. POLICY**

The Law Enforcement Technician (L.E.T.) is responsible for maintaining the vehicles assigned to Homicide Bureau. It is the responsibility of each investigator and team lieutenant to assist the L.E.T. with this task.

### **Mileage**

By the 15th of each month, the L.E.T. will submit to each Bureau lieutenant a Vehicle Mileage Worksheet. The mileage for each vehicle shall be recorded on the form for the indicated date. The completed Vehicle Mileage Worksheet shall be returned to the L.E.T. by the 20th of each month. It is recommended that team lieutenants retain a copy of their team's Vehicle Mileage Worksheet for their own individual tracking purposes.

A sample of the Vehicle Mileage Worksheet is attached to this order.

### **Service**

The L.E.T. will submit, on an as needed basis, a memorandum to the concerned team lieutenant who will forward the memorandum to investigators when their assigned vehicle is due for service. All vehicles are to be serviced every 5,000 miles, but under no circumstances later than 6,000 miles. Vehicles that are not properly serviced on time will be removed from service, and the employee will be placed on mileage for a term specified by the Unit Commander. Once the investigator is notified that service is due, he/she shall immediately schedule an appointment. The work order for the service provided to the investigator by Fleet Management when the work is completed, shall be submitted to the team lieutenant, then forwarded to the L.E.T. for filing.

A sample of the Vehicle Service memorandum is attached to this order.

### **Inspection**

On the 15th of each month, the team lieutenant is responsible for personally inspecting and completing a Vehicle Inspection Sheet for every vehicle assigned to the team. The Vehicle Inspection Sheets shall note the overall condition and cleanliness of the vehicle. Any damage observed must be reported per policy. The completed Vehicle Inspection Sheets shall be forwarded to the L.E.T. by the 20th of each month. Once all Vehicle Inspection Sheets have been collected, the L.E.T. shall submit the Vehicle Inspection Sheets to Operations for review, prior to filing in the vehicle maintenance file.

A sample of the Vehicle Inspection Sheet is attached to this order.

The Bureau Commander shall be responsible for ensuring that all new personnel report to the Operations Sergeant as soon as possible to begin the required paperwork.

Records shall be maintained concerning the equipment checked out/in to individual investigators.

When Homicide Bureau personnel retire, terminate or transfer, the Operations staff shall ensure that all equipment is returned and that all paperwork is updated to reflect the change
