• 6-23/100.00 Earnings Withholding Orders

The [Wage Garnishment Law](#) prescribes the procedures for levying against earnings of a judgment debtor, commonly known as an “Earnings Withholding Order.” In the case of child or spousal support, the earnings of the debtor may be garnished by a withholding order for support issued by the local child support agency and an earnings assignment order.

([CCP 706.020](#), [706.021](#))

• • 6-23/110.00 Definitions

The following definitions are used in the Wage Garnishment Law. ([CCP 706.011](#))

• • • 6-23/110.10 Earnings

"Earnings" means compensation payable by an employer to an employee for personal services performed by such employee, whether denominated as wages, salary, commission, bonus, or otherwise.

• • • 6-23/110.20 Earnings Assignment Order for Support

"Earnings assignment order for support" means an order, made pursuant to [Earnings Assignment Order in the Family Code](#) or [Probate Code 3088](#), which requires an employer to withhold earnings for support.

• • • 6-23/110.30 Employee

"Employee" means a public officer and any individual who performs services subject to the right of the employer to control both what shall be done and how it shall be done.

• • • 6-23/110.40 Employer

association, a limited liability company, and a public entity.

- • **6-23/120.00 Spouse's Earnings**

An earnings withholding order may not be issued against the earnings of the spouse of the judgment debtor except by court order upon noticed motion. ([CCP 706.109](#))

- • **6-23/130.00 Forms**

The California Courts Judicial Council may provide by rule for the practice and procedure for earnings withholding orders, notwithstanding any other provision of law. ([CCP 706.100](#)) Consequently, any direction contained on a form, whether to the levying officer or other person, shall have the force of law and must be complied with.

The following prescribed forms are mandated ([CCP 706.120](#), [681.030](#)):

Application for Earnings Withholding Order ([WG-001](#))

Earnings Withholding Order (with Instructions to Employer on reverse) ([WG-002](#))

Confidential Statement of Judgment Debtor's Social Security Number ([WG-035](#))

([CCP 706.129](#))

Claim of Exemption ([WG-006](#))

Financial Statement ([WG-007](#))

- • **6-23/140.00 Types of Garnishments Involving Wages**

- • • **6-23/141.00 Earnings Assignment Order for Support**

An earnings assignment order for support shall be given priority over any earnings withholding order. ([CCP 706.031](#))

• • • **6-23/142.00 Earnings Withholding Order for Support**

Upon receipt of an application which states the writ of execution was issued to collect delinquent child or spousal support, the levying officer shall issue a withholding order for support. ([CCP 706.030](#)) The Los Angeles County Sheriff's Department does not serve Earnings Withholding Orders for child support. Please see 6-23/142.10.

• • • • **6-23/142.10 Local Child Support Agency**

The local child support agency may also issue and enforce a withholding order for support. ([CCP 706.030\(b\)](#))

• • • **6-23/143.00 Earnings Withholding Order for Taxes**

This type of earnings withholding order is issued by a state agency seeking to collect state tax liability rather than the sheriff, constable, or marshal. The agency is deemed to be the "levying officer." ([CCP 706.073](#)) The Los Angeles County Sheriff's Department does not serve Earnings Withholding Orders for Taxes. ([CCP 706.102\(b\)](#))

• • • **6-23/144.00 Final Earnings Withholding Order for Cost and Interest**

This type of earnings withholding order is for the collection of unsatisfied costs and interest. This order is only issued after an earlier earnings withholding order has been returned satisfied. Interest ceases to accrue on the date of issuance of the final earnings withholding order, and no additional cost may be added after that date, except for the statutory fee for service of the order and any other statutory fee for performing duties under the order. ([CCP 706.028](#))

• • • **6-23/145.00 Earnings Withholding Order**

Upon receipt of an application for earnings withholding order from the judgment creditor which does not state the writ of execution was issued to collect delinquent child or spousal support, the levying officer shall issue this type of earnings withholding order.

• • **6-23/150.00 Issuance of Earnings Withholding Orders**

The term "issue" means that the officer completes the earnings withholding order forms in preparation for service. To do this, the original earnings withholding order and a copy is completed, using the information provided in the application and the writ. The officer must also complete the upper portion of the front side of the Employer's Return (everything above "Employer: Complete this form") except the space provided for the employer to indicate the name of the person to whom notices should be sent.

The levying officer in the county where the judgment debtor's employer is to be served must receive an original writ of execution, and a completed and signed application for earnings withholding order for each earnings withholding order to be served. The application shall be operative as the written and signed instructions to the levying officer and contains all the information required for service of the earnings withholding order. The application must be signed by declaration under the penalty of perjury. In all cases a signature must appear on the line for declarant's signature. The declarant, however, need not be the attorney or party whether with or without an attorney. The signature of the attorney or party without an attorney is necessary to give the levying officer the protection from liability afforded by [CCP 262](#), [687.010](#), and [687.040](#). Therefore, if the attorney or party without an attorney signs the application as the declarant under the penalty of perjury, the one signature is sufficient. If, however, the declarant's signature is not of the attorney or party without an attorney, then, in addition to the declarant's signature, the signature of the attorney or party without an attorney must appear in the space provided therefor above the declaration.

• • • **6-23/151.00 The State of California Employment Development Department**

The State of California Employment Development Department (EDD) may issue an earnings withholding order directly, without the use of a levying officer, to collect overpayments of unemployment compensation or disability benefits. An earnings withholding order issued by EDD shall be served by registered or certified mail, postage prepaid, with return receipt requested. If EDD does not receive a return receipt within 15 days from the date of deposit in the mail of the withholding order, EDD shall refer the earnings withholding order to a levying officer for service. Although authorized to issue and serve an earnings withholding order, EDD is not a levying officer and lacks the authority to process claims of exemption and receive and disburse monies pursuant to an earnings withholding order. ([CCP 706.101\(c\)](#))

Consequently, The Sheriff is not involved and lacks authority until such time EDD provides the Sheriff with the following:

\$35 Fee ([GOV 26750](#))

Application for Earnings Withholding Order

EDD's Proof of Service of the earnings withholding order (EDD's proof of service shall be attached to the Sheriff's return when the writ is returned to court.)

Writ of Execution for Money Judgment

If EDD refers the issuance and service of an earnings withholding order to the Sheriff, the standard procedures for processing an earnings withholding order shall be followed.

• • 6-23/160.00 Contents of Earnings Withholding Order

The "earnings withholding order" shall include all of the following (CCP 706.125):

- The name, address, and, if known, the social security number of the judgment debtor.
- The name and address of the employer to whom the order is directed.
- The court where the judgment was entered, the date the judgment was entered, and the name of the judgment creditor.
- The date of issuance of the writ of execution to the county where the earnings withholding order is sought.
- The total amount required to satisfy the order on the date of issuance (which may not exceed the amount required to satisfy the writ of execution on the date of issuance of the order plus the levying officer's statutory fee for service of the order).
- A description of the withholding period and an order to the employer to withhold from the earnings of the judgment debtor for each pay period the amount required to be withheld under [CCP 706.050](#) or the amount specified in the order subject to [CCP 706.024](#), as the case may be, for the pay periods ending during the withholding period.
- An order to the employer to pay over to the levying officer at a specified address the amount required to be withheld and paid over pursuant to the order in the manner and within the times provided by law.
- An order that the employer fill out the "employer's return" and return it by first-class mail, postage prepaid, to the levying officer at a specified address within 15 days after service of the earnings withholding order.
- An order that the employer deliver to the judgment debtor a copy of the earnings withholding order and the "notice to employee of earnings withholding order" within 10 days after service of the earnings withholding order; but, if the judgment debtor is no longer employed by the employer and the employer does not owe the employee any earnings, the employer is not required to make such delivery.
- The name and address of the levying officer.

• • 6-23/170.00 Additional Costs

If an earnings withholding order is outstanding at the time costs are added to the judgment, the levying officer shall add the amount of those costs to the amount to be collected pursuant to the earnings withholding order if the levying officer receives either of the following before the earnings withholding order is returned and before distribution is made ([CCP 685.090](#)):

1. a certified copy of the court order allowing costs or
2. a certificate from the clerk of the court that the costs have been added to the judgment after a memorandum of costs has been filed.

• 6-23/200.00 Service

No earnings withholding order shall be served upon the employer after the expiration of 180 days from the date the writ was issued. ([CCP 699.530](#))

• • 6-23/210.00 Documents Served

The service of an Earnings Withholding Order does not require the levying officer to serve a copy of the writ or Notice of levy on the judgment debtor. ([CCP 684.310](#)) The levying officer shall serve upon the designated employer all of the following:

The Earnings Withholding Order ([WG-002](#))

Confidential Statement of Judgment Debtor's Social Security Number ([WG-035](#)) (if provided)

Two copies of the Employer's Return ([WG-005](#))

Addendum to Earnings Withholding Order

Lockbox Addendum

The Los Angeles County Sheriff's Department will provide the employer with an employee's package to be given to the employee at the time of service which includes the following:

A copy of the Earnings Withholding Order ([WG-002](#))

Employee Instructions ([WG-003](#))

Claim of Exemption ([WG-006](#))

Financial Statement ([WG-007](#))

The debtor may also request copies of the Claim of Exemption and Financial Statement forms from the levying officer at no charge. The forms are available in the [Links](#) section of the Civil Management Bureau's public website: civil.lasd.org.

• • 6-23/220.00 Manner of Service

An earnings withholding order shall be served by the levying officer upon the employer by delivery of the order to the managing agent or person in charge of the branch or office where the employee works or is paid, or to any person to whom a copy of the summons and complaint may be served ([CCP 415.10](#), [415.20](#)). ([CCP 706.101](#)) Service on a receptionist or person at a front desk does not constitute valid service unless the person specifically conveys they are a managing agent or person in charge or is a person to whom a summons and complaint may be served.

The Los Angeles County Sheriff shall serve earnings withholding orders by first class mail exclusive of the Los Angeles office serving areas. Special Instructions from the attorney of record or party without an attorney requesting the earnings withholding order be served personally will not be honored.

All earnings withholding orders received shall be processed by the office receiving them. Earnings withholding orders will not to be forwarded to the office which would serve the earnings withholding order in the field. The office in receipt of the earnings withholding order shall make up and mail the process by first class mail. Service is complete on the date of receipt as indicated on the employer's return or the date of mailing if the receipt date is not listed on the employer's return. If the employer's return is not received at the originating office within 25 days of mailing, the earnings withholding order shall be reprinted and forwarded to the office handling the service in the field who will then attempt personal service.

Any exception to service by mail requires approval from the CMB Operations which will compile and maintain a list employers exempted from the earnings withholding order Mailing Program. An example of an exempted employer is the Los Angeles County Auditor. The Los Angeles Office is located in the same complex as the County Auditor. In such an instance, personal service is clearly more efficient than service by mail.

Note: Due to the volume of current cases and future services, the CMB will continue to handle and personally serve all garnishments and other process services involving CT Corporation and their affiliates, Vcorp, NRAI, BFI, and Corpdirect, exclusively out of our Los Angeles office: 110 N. Grand Ave, Rm 525, Los Angeles CA 90012.

• • 6-23/230.00 Re-service of Earnings Withholding Order

If the earnings withholding order is terminated by the court, unless the court otherwise orders or unless there is a material change of circumstances since the time of the last prior hearing on the earnings withholding order, the judgment creditor may not apply for another earnings withholding order directed to the same employer with respect to the same judgment debtor for a period of 100 days following the date of service of the earnings withholding order or 60 days after the date of the termination of the order, whichever is later. ([CCP 706.105\(h\)](#))

• 6-23/300.00 Public Entity Employer

A plaintiff should be made aware that where the earnings withholding order is not served on the proper official, it may be ineffective. However, the officer should not delay in making the service as instructed by the judgment creditor's attorney.

• • 6-23/310.00 County or City Employer

Where the defendant is employed by a county or city or other district or public corporation,

the auditor or an official whose duty corresponds to that of auditor (controller, etc) should be served. Except as otherwise expressly provided by law, the earnings of a public officer or employee may only be withheld pursuant to the Wage Garnishment Law. Therefore an earnings withholding order will be served upon the state or its subdivision the same as any other employer.

• • 6-23/320.00 State Agency Employer

In the case of a state employee, the office from which the employee is paid does not include the Controller's Office unless the employee works directly for the Controller's Office. ([CCP 706.101\(a\)](#)) (1)) A state department, board, or commission should be served directly, which in most cases will be in Sacramento. However, some state departments have their headquarters in other counties, such as the Los Angeles County Metropolitan Transportation Authority, which should be served in Los Angeles County.

• • 6-23/330.00 Federal Government Employer

Generally, the United States Government is not subject garnishment ([Buchanan v. Alexander, 45 U.S. 20, 4 Howard 20; U.S. v. Morton, 467 U.S. 822, 104 S.Ct. 2769](#)). However, federal law honors a garnishment for wages in the same manner and to the same extent as if the federal agency employer was a private person. ([EXECUTIVE ORDER NO. 12897](#))

• • • 6-23/330.10 Child and Spousal Support

Payments made to federal employees are subject to levy under a writ of execution issued for alimony or child support obligations. ([42 USC §659](#))

• • • 6-23/330.20 Other Debts

The pay of a federal employee may be garnished as in the same manner and the same extent as a non-federal employee. ([5 USC §5520a](#))

• • • 6-23/330.30 Service of Earnings Withholding Order

There are no special documents required for service on the federal government other than that which is required by California law. However, in order to avoid a failure to honor a support earnings withholding order by the agency served, the creditor should provide the sheriff with a certified copy of the judgment showing that it is for alimony or support in addition to the original writ and application for earnings withholding order.

Federal law requires service by certified or registered mail, return receipt requested, or by

personal service, upon the appropriate designated agent or the head of such agency, if no agent has been so designated. The process shall be accompanied by sufficient information to permit prompt identification of the employee and the payments involved. The agent for service shall respond within thirty days after the date effective service and shall, as soon as possible but not later than fifteen days after the date effective, send written notice to the affected employee at the employee's duty station or last-known home address. ([5 USC §5520a](#))

The earnings withholding order should include the full name, social security number and date of birth, if available and, in the case of military personnel, the branch of service, rank or grade, and if known, the name and location of current duty station.

It is the responsibility of the creditor to provide the name and address for service. The authorized agents for service of wage garnishments are listed in the [Code of Federal Regulations, Title 5, Parts 581 and 582, Appendix A](#) which is available on the internet.
