

## **5-06/045.12 - CEW Maintenance**

- To maintain current software updates and to ensure the accuracy of the time and date stamp, Department members shall  
  
download/sync their assigned CEW during the first week of each month.
  - Department members on leave shall download/sync their assigned CEW during the first week after their return to work.
  - The investigating supervisor for a CEW deployment is responsible for ensuring the information from the CEW has been downloaded  
  
and the download printouts are submitted with the Supervisor's Use of Force Report (SH-AD 438).
-
