CARRY CONCEALED WEAPON UNIT

UNIT ORDER

SUBJECT: CARRY CONCEALED WEAPON – UNIT ORDER #1

PURPOSE OF ORDER

The purpose of this unit order is to establish policies and procedures concerning the review and issuance of licenses to carry a concealed weapon received before January 1, 2024, the effective date of Senate Bill 2.

Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

SCOPE OF ORDER

All personnel assigned to or working on a temporary basis at Carry Concealed Weapon (CCW) Unit.

ORDER

Application of Policy

The Sheriff is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). Only residents of Los Angeles County are eligible for a Standard CCW. A non-resident of Los Angeles County may be eligible for a 90-Day (Employment) CCW.

If the applicant resides in an incorporated city not policed by this Department, they must apply to the Chief of police of their city of residence for a CCW license and have such application acted upon. Within 60 days after a denial of such application, such city resident may file a separate application with the Sheriff's Department, attaching a copy of the Letter of Denial by the Chief of police. The Undersheriff will exercise independent discretion in granting or denying licenses to such persons but may review, consider, and give weight to the grounds upon which such denial was made.

Policy

Applications submitted to the Los Angeles County Sheriff's Department will be fairly and impartially considered, in accordance with this policy and applicable law.

- g. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).

The issuance of a license by the Sheriff shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Sheriff as set forth herein. If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

Once the Sheriff or authorized designee has verified the successful completion of the renewal application process, the renewal of the license to carry a firearm will either be granted or denied. The Sheriff allows a licensee to renew his or her license up to 6 months after the expiration date. Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205). Renewals with the Sheriff's Department do not require a new livescan to be completed as long as the initial livescan is valid with the correct application type.
