3-03/100.26 - Law Enforcement Technician Pullover Polo Shirt (optional)

The use of an approved law enforcement technician pullover polo shirt must be authorized by each Division Chief, Division Director, or their designee. Furthermore, law enforcement technicians may wear the approved law enforcement technician pullover polo shirt with the Unit Commander's approval.

Upon approval, the law enforcement technician pullover polo shirt shall follow the specifications listed below:

- A light blue long or short sleeve, two or three button-front pullover polo shirt, with a collar;
- A yellow embroidered Los Angeles County Sheriff's Department cloth shield on the left breast area (specifications on file at Logistics);
- A pair of replicas of the official civilian shoulder patch affixed on each sleeve in navy blue;
- The words "LAW ENFORCEMENT TECHNICIAN" stacked in navy blue on the back of the shirt, surrounded by a border; and
- The employee's surname embroidered on the right breast area in navy blue.

Approved manufacturers' style descriptions shall be maintained by the Uniform and Equipment Coordinator's office.
